

PRESIDING BISHOP'S GOODWILL MESSAGE ON 2026 METHODIST HEALTH SUNDAY

We gather across The Methodist Church Ghana to celebrate this year's Health Sunday under the inspiring theme: "Walking in the Word: Equipped for Every Good Work", drawn from 2 Timothy 3:16-17.

This theme reminds us that the Word of God is not only a lamp for our spiritual journey but also a divine resource that equips us for service, calling us into acts of love, compassion, healing, and transformation in the world. The Methodist Church Ghana remains steadfast in this sacred calling through its network of health institutions and programmes across the nation.
